## PREMIUM OUTDOOR FURNITURE

The Flower Garden at Nairne, South Australia, was established in 1986 by Merridy and Brian Schultz. From small beginnings, The Flower Garden has become South Australia's most respected destination for premium quality Outdoor Furniture.

We have always had a strong focus on customer service and much of our business has been built from word of mouth. Our vision has always been to build long-term relationships with both our clients and suppliers.

The Flower Garden offers an exclusive range of products for your outdoor living areas. We source the finest products from around the world and our range continues to evolve offering inspiration to all who visit. Quality is the first criteria we use when selecting the products to offer our clients, remember the saying '*quality remains long after price is forgotten*'.

The Flower Garden represents internationally respected garden furniture brands – Tribu, Manutti, Gloster, Cotswold Teak, Fermob & Vincent Sheppard. Our ranges include outdoor tables in ceramic, teak, stainless steel, aluminium and glass, outdoor chairs and sofas in outdoor wicker, outdoor leather, outdoor nautic fabric and teak. Both contemporary and classic designs are available, all made for outdoor dining and lounging.

We have also selected an inspiring range of Outdoor Sculpture and Decorative Screens, Shade Umbrellas, Urns and Pots, many exclusive to The Flower Garden.
